

4 August 2023

Ann Duffield
Company Security Officer
690723 Ontario Inc.

Good day,

Subject: **Subcontract N° HH-127 – Previous Tier N° 522980 – Prime N° 6522980**

The enclosed Security Requirements Check List (SRCL) and security requirement clauses are approved for use in the subject subcontract.

The Contract Security Program (CSP), Public Services and Procurement Canada (PSPC), has no objection, from a security viewpoint, to the award of the above mentioned subcontract to **Designcore Engineering Ltd.**

Please ensure that a copy of the SRCL and clauses are incorporated into the resulting subcontract and provided to the Company Security Officer of **Designcore Engineering Ltd.** and the CSP, PSPC.

Following award of the subcontract, it is your responsibility as Company Security Officer to promptly provide a copy of the subcontract to the CSP, PSPC at TPSGC.SSICONTRACTS-ISSCONTRACTS.PWGSC@tpsgc-pwgsc.gc.ca. You must also review the contract security requirements as defined in the contract security clauses issued by the CSP, PSPC and ensure that all security requirements are adhered to by the subcontractor for the duration of the subcontract. Failing to comply with these requirements may trigger an administrative investigation into your organization's security practices to determine if a security violation or breach has occurred. Security breaches and violations will impact an organizations status in the CSP, PSPC. Any future amendments to the subcontract, such as an extension or termination of the subcontract, must also be reported to the CSP, PSPC.

More information on subcontracting security requirements can be found here: <http://www.tpsgc-pwgsc.gc.ca/esc-src/soustraitance-subcontracting-eng.html>

Subcontracts that are awarded and not provided to the CSP, PSPC are in breach of the Industrial Security Sector Industrial Security Manual (ISM) and may be subject to investigation by the Investigation Division of the CSP, PSPC.

Sincerely,

X

Contract Security Officer
